

# Residential Camp

## What campers/parents say:

Hannah again loved her experience at camp this past summer. I have pulled the dates into our calendar and we are planning ahead as she would love to spend time with everyone at OTB soccer camp again. This camp is **awesome!**  
The Medlins . Terrace Park, OH

This was my son, Ethan's, first out of town soccer camp, and he **absolutely loved it.** He had nothing but wonderful things to say about camp, and still talks about it to-day! He, and most of his soccer team, are planning on attending camp this year as well.  
Kerian Pennybacker. Grove City, OH

On the Ball Soccer Camp is a **wonderful opportunity** for soccer players looking for development from and exposure to coaches with extensive experience. I enjoyed the experience — You will too!  
Curtis Martin. Noblesville, IN

Money **well spent!**  
Wendy (Goalkeeper's Mom)

2016 was our daughters first time attending the OTB Camp. Her improvement that followed was beyond our expectations. She will be a **camper for life!**  
Shonna Harrison. Oregon, OH

OTB soccer camp in Findlay was a great experience for me the past two years. Unlike other camps I have attended this one had more one on one training as opposed to huge groups. At this camp you will **learn a lot** and have a lot of fun doing it.  
Sydney (Goalkeeper U15)

With a **fantastic** coaching staff and camp camaraderie, my son looks forward to coming every year. The technical skills and confidence he gains both on and off the field are second to none.  
Thanks,

The OTB camp was the **highlight of my daughter's summer.** This camp is excellent, and she plans to attend again this coming year!

The Findlay residential soccer camp got my 15 yr old son ready for his HS season. Five days of **great coaching**, great fun!

**OTB camp is great!** My daughter has gone the last 2 years in a row and LOVES it! Two thumbs up from this soccer family!!!!
